

Membership Application Form

Internal Society of Trace Elements in the Environment

Registered participants to the ISTEE conference automatically become member of the ISTEE society for two years following the conference. If you cannot attend the forthcoming ISTEE conference, you may apply for membership using the form below. Your membership will be effective after reception of payment, and remains valid for up to two years after the forthcoming ISTEE conference.

You can apply for two types of membership:

- **Regular**
 - Regular members are scientists, staff, faculty, and postdoctoral candidates engaged in the study of trace elements in the environment and/or interested in the purposes of the ISTEE.
 - Registration fee: USD 50
- **Student**
 - Student members are full-time undergraduate or graduate students engaged in the study of trace elements in the environment and/or interested in the purposes of the Society. A student who applies for student membership will need to provide proof in the form of a photo of a student identification card, proof of enrollment as an (under)graduate at a college or university, or any other forms or proofs that the EB may deem adequate for joining ISTEE as a student.
 - Registration fee: USD 25

Use this form to apply. You can fill the form by using any modern browser, or by using a PDF editor. You will be contacted by email by the EB Treasurer for payment information. If you apply for Student membership, you will need to submit proof at that time. * means that the information is mandatory.
